Ministry

Therefore, since we have this ministry, as we received mercy, we do not lose heart - 2 Corinthians 4:1

Ministry is an interesting word. What defines a ministry? Is it a job in a church, a job outside of a church, or is everything in the Christian life somehow a form of "ministry"? Regardless of where or how ministry is conducted, one thing is true--it is a tough job. If we are not careful, we can become very weary and discouraged in doing the work of the ministry.

I need to be reminded repeatedly that God does the work. I just need to be faithful to do what He has asked of me, depending on Him for everything.

For those who are serving in a ministerial role, pray for the Lord o give you verses to anchor your ministry goals. Those verses will give you the strength to get through the trials as well as the focus to finish what you started. God will bring to your memory the Scripture throughout the days ahead when the times get difficult. God wants us to count the cost and be responsible in whatever service we do, but God takes us as His responsibility to get us through.

And remember, we are all dealing with the same thoughts and struggles. You are not alone when serving the Lord.
